### Agassiz Audubon Society

27391 190th St. NW

Experience wildlife at the beach along Glacial Lake Agassiz. To the west are the Tallgrass Prairies - to the east, the Aspen Parklands. The Audubon Center has them both. It's a great place to spot magpies & kingfishers, warblers and owls as well as the occasional otter, moose, bear, and wolf. Bring a picnic lunch and spend the day. Experience the quiet serenity of the pine groves, prairie vistas and aspen woodlands. There's plenty to see. While you're here, take a walk across the street to the Agassiz Valley flood control impoundment - one of the best birding locations in NW MN. Look for white pelicans, common loons, sandhill cranes, great blue herons, shorebirds and waterfowl. The Agassiz Valley Residential Pollinator Garden is available for you to visit, which showcases natural habitat plants, forbes, and trees. Agassiz Valley is closed during the winter months.

The Arts Council web site is filled with information on local arts organizations including performance theater and visual art galleries. The site also includes a directory of information on local artists who create original art that is for sale. Some artist's studios are open to the public and are great places to visit while on vacation in our area. Additional event listings and artists profiles are listed on [www.mnartists.org](http://www.mnartists.org).
